

## NKS Health Sponsors "Team Power Pedalers"

On the weekend of June 10-11<sup>th</sup> 2012, Team Power Pedalers completed its third annual Ride to Conquer Cancer, along with some 4500 cyclists in the golden horseshoe. The team made it to Niagara Falls despite some tough weather conditions. Saturday was very rainy and Sunday was very hot, but everyone recognized that those challenges pale in comparison to what others have to endure, and many don't survive, in dealing with the ravages of cancer.

Thanks to the support of many friends, family and corporate sponsors this year, the Pedalers raised \$44,970.54

All in all, the ride raised \$18.1 Million for the Princess Margaret Hospital.

The team thanks everyone for their financial and moral support for this worthy cause and for letting them be a part in the effort to conquer cancer in our lifetime.

Team Power Pedalers will ride again in 2013.
