

NKS Health Supports The Ukrainian Canadian Congress Summer Camp Program

We were very moved and impressed by the programs listed in The Herald March 2012 article Orphanages Project in Ukraine. NKS Health would like to assist by providing one round trip air fare to a volunteer on a mission trip to Ukraine. We would like to donate this trip to the Ukrainian Canadian Congress to be used for the Children of Chernobyl Canadian Fund or an associated summer camp program.

The flight will be economy class return ticket from Toronto to Ukraine to be used before December 31, 2012. We would ask that the flight be used for a volunteer on a mission trip of 10 days or longer.

The volunteer programs with the disabled children in orphanages is a very kind and worthy endeavor and we wish you the best of luck this summer.
